- (2) The value of the assets is their fair market value at the date of the application for legal aid.
- (3) Any interest in a reversion or remainder (whether legal or equitable) in any property must be computed in a manner that is both fair and reasonable.

- (4) Any interest in any trust or other fund (whether the applicant's interest is held solely, jointly, or in common, and whether it is vested or contingent), or any benefit that the applicant might receive in connection with any trust (for example, a discretionary trust), must be assessed with regard to—

- (7) If, in the opinion of the Commissioner, the applicant, or a person whose resources are to be treated as the applicant's resources, stands in relation to a company in a position analogous to that of sole owner or partner in the business of that company, the Commissioner may, instead of ascertaining the value of the person's shares in the company, treat the person as if he or she were the sole owner or partner, and compute the amount of his or her capital in respect of that asset accordingly.

- (1) This regulation applies to any resources that an applicant has disposed of (whether directly or indirectly) in order to become eligible for legal aid, or to reduce or avoid repayments due to the Commissioner.
