Schedule 1A—*continued*

1 Each axle weight

For each axle the weight on which exceeds the maximum permitted weight for such an axle, the appropriate overloading infringement fee shown in table 1 is payable.

2 or more consecutive axle weights

For each group of 2 or more consecutive axles of a vehicle or combination of vehicles the total of the weights of which exceeds the total of the weights permitted on a group of 2 or more consecutive axles with the recorded distance between the centres of the first and the last axle of the group, the appropriate overloading infringement fee shown in table 2 is payable.

3 Total axle weight of vehicle

For each vehicle the total of the axle weight of which exceeds the permitted total of axle weights for a vehicle with the recorded distance between the centres of the first and last axle of the vehicle, the appropriate overloading infringement fee shown in table 2 is payable.

4 Total axle weight of combination of vehicles

For each combination of vehicles the total of the axle weight of which exceeds the permitted total of axle weights for a combination of vehicles with the recorded distance between the centre of the first axle of the first vehicle and the centre of the last axle of the last vehicle, the appropriate overloading infringement fee shown in table 2 is payable.

5 Weighing tolerances

The axle weight recorded or calculated or, in the case of an offence referred to in table 2, the total of the recorded or calculated weights on the axles, may be reduced by the following amounts:

(a) 0.3 tonnes on any front steering axles (excluding any axles on a trailer) for which the legal maximum weight does not exceed 11 tonnes:

Schedule 1A—*continued*

(b) 0.5 tonnes for any weight recorded or calculated where the legal maximum weight does not exceed 11 tonnes, except in a case to which paragraph (a) applies:

(c) 1.0 tonne for any weight recorded or calculated where the legal maximum weights exceeds 11 tonnes but does not exceed 33 tonnes:

(d) 1.5 tonnes for any weight recorded or calculated where the legal maximum weight exceeds 33 tonnes but does not exceed 60 tonnes:

(e) 3.0 tonnes for any weight recorded or calculated where the legal maximum weight exceeds 60 tonnes.

Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 27 February 2005, amend the Land Transport (Offences and Penalties) Regulations 1999. The amendments specify the infringement fees and maximum penalties on summary conviction for breaches of various provisions of the Land Transport (Road User) Rule 2004 and the following Land Transport Rules:

- Heavy Vehicles 2004 (31002):
- Traffic Control Devices 2004 (54002):
- Vehicle Equipment 2004 (32017):
- Vehicle Lighting 2004 (32005).

Issued under the authority of the Acts and Regulations Publication Act 1989.
Date of notification in *Gazette*: 16 December 2004.
