*This note is not part of the regulations, but is intended to indicate their general effect.*

These regulations, which come into force on 1 July 2018, amend the Animal Products (Dairy Industry Fees, Charges, and Levies) Regulations 2015. The amendments—

- increase the levy payable by large processors in relation to the development and maintenance of New Zealand standards, performance monitoring, and dairy residue monitoring, to reflect an increase in the cost to the Ministry for Primary Industries of providing these services; and
- increase the levy payable by large exporters in relation to the development and maintenance of market access standards and programme and export standards, to reflect an increase in the cost to the Ministry for Primary Industries of providing these services.

These regulations are a confirmable instrument under section 47B of the Legislation Act 2012. They are revoked at the close of 30 June 2019, unless earlier confirmed by

an Act of Parliament. That stated time is the applicable deadline under section 47C(1)(a) of that Act.

### **Regulatory impact assessment**

The Ministry for Primary Industries (**MPI**) prepared a Stage 2 Cost Recovery Impact Statement (**CRIS2**) for these regulations on 3 April 2018 to help inform the decisions taken by the Government relating to the contents of this instrument. The MPI Regulatory Impact Analysis Panel reviewed the CRIS2 and considered that the information and analysis summarised in it met the panel's current understanding of the quality assurance criteria.
