Information

If there is anything in these notes you do not understand, you should consult a lawyer.

1 This notice sets out an alleged infringement offence.

Payments

2 If you pay the infringement fee for the alleged infringement offence within 28 days after you are served with this notice, no further enforcement action will be taken for the offence. Payments should be made to [*name of enforcement authority*] in the manner specified in this notice.

3 If, under section 21(3A) or (3C)(a) of the Summary Proceedings Act 1957, you enter or have entered into an arrangement with [*name of enforcement authority*] allowing you to pay the infringement fee by instalments, paragraphs 5(b) and (c) and 6 to 9 below do not apply, and you are not entitled either to request a hearing to deny liability or to ask the court to consider any submissions (as to penalty or otherwise) in respect of the infringement.

Defence

4 You have a complete defence against proceedings for an alleged infringement offence if the infringement fee has been paid to [*name of enforcement authority*] in the manner specified in this notice before, or within 28 days after, a reminder notice in respect of the alleged offence is served on you. Late payment or payment made in any other manner is not a defence.

Further action, including right to request hearing

5 You may—

- (a) raise any matter relating to the circumstances of the alleged offence for consideration by [*name of enforcement authority*]; or
- (b) deny liability for the alleged offence and request a court hearing; or
- (c) admit liability for the alleged offence but have a court consider written submissions as to penalty or otherwise.

6 To take an action listed in paragraph 5, you must write to [*name of enforcement authority*] at the address for correspondence shown on this notice. You must sign the letter and it must be delivered within 28 days after you have been served with this notice, or within any further time that [*name of enforcement authority*] allows.

- 7 If, in your letter, you deny liability for the alleged offence and request a court hearing, [*name of enforcement authority*] will serve you with a notice of hearing that sets out the place and time at which the court will hear the matter (unless [*name of enforcement authority*] decides to take no further action to require payment for the alleged offence).

Note: If the court finds you guilty of the offence, the court is entitled to take into account any maximum fine for the offence, not just the infringement fee. In that case, the court may impose a fine that is greater than the infringement fee (but you still cannot get a conviction). Also, if the court finds you guilty of the offence, costs will be imposed in addition to any penalty, and you will be required to pay a hearing fee.

- 8 If you admit liability for the alleged offence but want the court to consider your submissions as to penalty or otherwise, you must, in your letter,—
- (a) request a hearing; and
 - (b) admit liability for the offence; and
 - (c) set out the written submissions you wish the court to consider.

- 9 [*Name of enforcement authority*] will then file your letter with the court (unless [*name of enforcement authority*] decides to take no further action to require payment for the alleged offence). If you follow this process, there will be no oral hearing before the court.

Note: The court is entitled to take into account any maximum fine for the offence, not just the infringement fee. In that case, the court may impose a fine that is greater than the infringement fee (but you still cannot get a conviction). Also, costs will be imposed in addition to any penalty.

Non-payment of fee

- 10 If you do not pay the infringement fee and do not request a hearing in respect of the alleged offence within 28 days after you have been served with this notice or within any further time that [*name of enforcement authority*] allows, you will be served with a reminder notice (unless [*name of enforcement authority*] decides to take no further action to require payment for the alleged offence). Please note that in some circumstances, if you do not receive a reminder notice, you may still become liable to pay a fine and court costs.
- 11 If you do not pay the infringement fee and do not request a hearing in respect of the alleged offence within 28 days after being served with the reminder notice,—
- (a) [*name of enforcement authority*] may, unless it decides to take no further action to require payment for the alleged offence, provide particulars of the reminder notice for filing in the District Court; and
 - (b) if so, you will become liable to pay court costs as well as a fine.

- 12 The fine will be equal to the amount of the infringement fee or the amount of the infringement fee remaining unpaid.

Correspondence

- 13 When writing, please specify—
- (a) the date of the alleged infringement offence; and
 - (b) the infringement notice number; and
 - (c) your full name and address for replies.

Note: All correspondence regarding the infringement offence must be directed to [*name of enforcement authority*] at the address shown on this notice.

- 6 To take an action listed in paragraph 5, you must write to [*name of enforcement authority*] at the address for correspondence shown on this notice. You must

sign the letter and it must be delivered within 28 days after you have been served with this notice, or within any further time that [*name of enforcement authority*] allows.

- 7 If, in your letter, you deny liability for the alleged offence and request a court hearing, [*name of enforcement authority*] will serve you with a notice of hearing that sets out the place and time at which the court will hear the matter (unless [*name of enforcement authority*] decides to take no further action to require payment for the alleged offence).

Note: If the court finds you guilty of the offence, the court is entitled to take into account any maximum fine for the offence, not just the infringement fee. In that case, the court may impose a fine that is greater than the infringement fee (but you still cannot get a conviction). Also, if the court finds you guilty of the offence, costs will be imposed in addition to any penalty, and you will be required to pay a hearing fee.

- 8 If you admit liability for the alleged offence but want the court to consider your submissions as to penalty or otherwise, you must, in your letter,—

- (a) request a hearing; and
- (b) admit liability for the offence; and
- (c) set out the written submissions you wish the court to consider.

- 9 [*Name of enforcement authority*] will then file your letter with the court (unless [*name of enforcement authority*] decides to take no further action to require payment for the alleged offence). If you follow this process, there will be no oral hearing before the court.

Note: The court is entitled to take into account any maximum fine for the offence, not just the infringement fee. In that case, the court may impose a fine that is greater than the infringement fee (but you still cannot get a conviction). Also, costs will be imposed in addition to any penalty.

Non-payment of fee

- 10 If you do not pay the infringement fee and do not request a hearing in respect of the alleged offence within 28 days after you have been served with this notice, you will become liable to pay court costs as well as a fine (unless [*name of enforcement authority*] decides to take no further action to require payment for the alleged offence).

- 11 The fine will be equal to the amount of the infringement fee or the amount of the infringement fee remaining unpaid.

Correspondence

- 12 When writing, please specify—
- (a) the date of the alleged infringement offence; and
 - (b) the reminder notice number; and

(c) your full name and address for replies.

Note: All correspondence regarding the infringement offence must be directed to [*name of enforcement authority*] at the address shown on this notice.
